## *AUDITION RESULTS 2026-2027*

### **Please begin by reading this....**

Please remember that these are extremely difficult decisions & that we are proud of all of you!

*Welcome to AHS Vocal Music; we are excited for you to be a part of our award-winning, nationally-recognized program and are excited about the future for all of our ensembles. We*

*look forward to growing, learning, evolving, and getting better together! Please do not contact directors with questions about auditions before Tuesday, June 2nd. After this time, we are happy to meet with *students* who wish to have growth-centered conversations about their auditions.*

Announcements about next year's ensembles including summer camps, retreats, etc. will be distributed through CUT TIME messages using the contact information you submitted prior to auditions. Parent/Student Square groups will be updated as soon as it is possible. Also, follow AHS Vocal Music on Instagram: @ankeny\_choirs

Any student who auditioned for show choir (provided you elected to be considered for all ensembles) should be listed on one of the four show choir rosters; if your name does not appear on a list, please contact Mr. Walters ( [ben.walters@ankenyschools.org](mailto:ben.walters@ankenyschools.org) )

Any 10-12th grade student who auditioned for select curricular ensembles whose name does not appear in Concert Choir, Cantorei, or Chorale will be enrolled in Ankeny Singers for the fall semester.

### **CONGRATULATIONS to the following students....**
