

Ankeny High School Choral Music

AUDITION RESULTS 2023-2024

Please begin by reading this....

Please remember that these are extremely difficult decisions & that we are proud of all of you!

Welcome to AHS Vocal Music; we are excited for you to be a part of our award-winning, nationally-recognized program and are excited about the future for all of our ensembles. We

*look forward to growing, learning, evolving, and getting better together! Please do not contact directors with questions about auditions before Monday, June 5. After this time, we are happy to meet with *students* who wish to have growth-centered conversations about their auditions.*

Announcements about next year's ensembles including summer camps, retreats, etc. will be distributed through CHARMS emails using the contact information you submitted prior to auditions and through the "Remind" text message system. Please enroll in Remind for each of the ensembles you will participate in next year, even if they have not changed. "Remind" is our most critical communication tool. Also, follow our department Twitter account:

@ahs_vocal_music

Any student who auditioned for show choir (provided you elected to be considered for all ensembles) should be listed on one of the three show choir rosters; if your name does not appear on a list, please contact Mr. Walters (ben.walters@ankenyschools.org)

Any 10-12th grade student who auditioned for select curricular ensembles whose name does not appear in Concert Choir or Cantorei will be enrolled in Ankeny Singers for the fall semester.

CONGRATULATIONS to the following students....
